

Iron County Register

IRONTON, MO., JAN. 29, 1920.

E. D. AKE, EDITOR.

VOLUME LIII. NUMBER 35

AGAIN I ask the Prohibition Jubilators to point me out where the Man they so devoutly serve and worship advocated, either by precept or example, the doctrine they have espoused.

I see that Senator Reed has again viciously attacked Mr. Hoover. Does the Senator not know that in this he is promoting—among Democrats—the candidacy of Mr. Hoover for President? "The blows of mine enemy are a mercy unto me."

THE editor of the New York World, in an address before the Woman's Club of that city, adverted to the Bill of Rights. He is behind the times. Can he not realize that the fanatics and pin-head reformers have knocked that Bill into a cocked hat?

A lot of very pious people want God put into the National Constitution. If they will enshrine the love of man in their hearts it will be worth more than all the law statutory and constitutional that ever was or can be enacted. Lord, Lord, how slow we are to learn!

Do not fail to note the offer made by that sterling newspaper, the ST. LOUIS GLOBE-DEMOCRAT, elsewhere in this issue. In spite of the enormously increased cost of production, the DAILY GLOBE-DEMOCRAT, except Sunday, is offered at the remarkably low rate of \$4.00 per year—or in complete clubs of three or more, at the net club rate of \$3.50 for each yearly subscription. The DAILY GLOBE-DEMOCRAT, including Sunday, is offered for \$7.50 per year, or in clubs of three or more at the net rate of \$6.65 for each yearly subscription. Again we urge you to read the offer and send in your order AT ONCE. Address the Globe Printing Company, Publishers, St. Louis, Missouri.—Adv.

Des Arc Items.

We are having regular winter and rivers and creeks have been past-fording. We have had no mail from Brunot for three days.

Because of an anticipated raise in the price of flour, our merchants are stocking up heavy on flour, corn and feed. Des Arc received two cars of flour last week, one for Brunot. Annapolis has also loaded up on flour. Paulus at Coldwater got in a car of corn; also the Des Arc Flour Mill.

We were sorry to hear of the death of Riley Harris at Annapolis. He lived in Des Arc several years ago, and he and his good wife were members of the Baptist church here. They were good Christian people. They leave two daughters, Mrs. Add Reese of Annapolis and Mrs. Fox of Reynolds county. He was laid by the side of his boys, James Harris and Erastus Harris, who died several years ago.

Farmers are shipping out lots of stock cattle on account of the high price of feed.

Our town is full of strangers, line men. The Western Union pays them \$2 a day and board.

Geo. W. Wallis has sold his mill at Des Arc to his boys. They take hold February 1st.

Ray Stamp has bought the interest of E. W. Graves in the store and mill here.

Well, I have been writing for the REGISTER more than 46 years, and, on account of my age, will soon have to step down and out. In all my writing I have never "knocked" on any town, nor said a harmful word about any one. I want to leave this world with the good will of every man and woman and I am ready to go when the Lord calls me.

In looking over some of my old letters I found one from my old comrade, R. A. Clarkson, of Company F, 9th Virginia Cavalry, W. F. Lee's Brigade, Stuart's Division of Cavalry, U. S. A., who died several years ago. I will produce part of it: "My Dear Old Friend—Your valued letter of the 1st came safe to hand. It gave Mrs. C. and myself great pleasure, bringing back, as it did, sweet memories of times and associations now away in the past, when strength of manhood gave force to our every thought and action. The years have passed, we trust, not entirely unimproved. As you state, we are fast ripening for eternity. The newspaper clippings you sent were read with much interest. We are glad to note you are a correspondent and your alacrity in cultivating that talent. Not many weeks have passed since the pleasant days of yore, but what it has been our delight, on opening the REGISTER, to find the newsy letter from 'Uncle Isaac.' Keep up the good work for the benefit and pleasure of your old friend!"

Annapolis News.

We are having some cold weather, snow, sleet, ice and rain the past few days. But the sun shines bright this evening.

My old friend, John R. Harris, died at his home in Annapolis Tuesday, January 20th, 1920, at 7 o'clock P. M., aged 78 years; influenza and pneumonia were the cause of death. Girdle Harris and family of St. Louis were here to attend the funeral, went from here to Ironton Friday, and returned to St. Louis from there. I shall write more of Mr. Harris later.

There are said to be several in town down with the influenza. Willie and S. L. Dunn are reported to be suffering from the malady.

David Culton and son, Jesse, are threatened with the "flu."

James Slusher had a hog killed on the railroad the past week.

John T. Webb had a \$40 hog to die last week.

The railroad to the mines will soon be finished and cars running over it. Lot of people around this town hunting a boarding place in this town these days. Mrs. Fannie Reese turned down fourteen applicants for board in one day last week.

Wm. Loyd and wife are suffering from influenza.

Ed Moss is moving from Black river back to Annapolis.

Ervin Brewer has leased Ida Jackson's farm for three years and is moving thereto to-day. BULLETIN.

Card of Thanks.

Editor Register—We wish to extend our heartfelt thanks to our friends and neighbors for all the kindness shown us in the bereavement by the death of our husband and father, J. R. Harris, and to the dear young men who so nobly gave their time and strength for him. May the Lord abundantly bless each one in all things!

THE DAILY

St. Louis Globe-Democrat

For You at a Real "Bargain" Price

The GLOBE-DEMOCRAT solicits your patronage solely on its merits as a truly great newspaper. It prints all the news of all the world. It long since realized that the day of the party organ has passed; that the newspaper that claims to wield the largest and most salutary influence must consider public subjects upon the single basis of right; that the interests of the country and the general welfare of the people should not be subordinated to the interests of any organization, political or otherwise, and during the last few years it has shaped its course on this conviction. That course will be continued. Every reader of the GLOBE-DEMOCRAT, whatever his party, must admit, that while he may not always agree with its opinions, they are nevertheless founded upon sincere judgment of the right, and that, we assert, is the essential quality of the editorial policy of a newspaper. In its presentation of the news the GLOBE-DEMOCRAT endeavors to be accurate, fair and impartial, presenting facts without color or prejudice.

Before Beginning to Take

Card-u-i, the Woman's

Tonic.

Kokomo, Ind.—Mrs. H. Hankemeier, of this town, says: "I look so well, and am so well, that it does not seem as if I ever needed Cardui. But I was not always this way... I think I have taken a dozen bottles... before my little girl came."

I was feeling dreadfully bad, had headache, backache, sick at my stomach, no energy... I was very irritable, too, and nervous.

I began taking Cardui about 6 months before my baby came. As a result all those bad feelings left me, and I just felt grand, just as if nothing at all was the matter, and when the end came I was hardly sick at all.

Since that I have never taken Cardui at all... It has done me good, and I know it will help others, if they will only try it."

Many women have written grateful letters like the above, telling of the good that Cardui has done them. Why should it not help you, too? If you suffer from any of the ailments so common to women, and feel the need of a safe, reliable, strengthening tonic, we urge you to begin today and give Cardui a fair trial.
